How to install and activate your personal copy of MATLAB (Campus)

MathWorks Account Creation
- Go to http://www.mathworks.com
- Create a new MathWorks account
- You should use your university email (@unitn.it) and select the option “Academic use”

Associate with the license
- As soon as you are logged in your MathWorks account click on “Manage Licenses” and then on the button “Add License”:

  Add License

- Select “Activation Key” and click Continue
- Enter the Activation Key: 02654-66316-99854-55502-92953 and click Continue.

Download the products
- On your account page you can click on “Get Licensed Product and Updates” to download the installation files.

Install
- Select the option: “Install automatically using the Internet”
Select this option to install products (recommended).

Click Next.

- Review the License Agreement and click next.
- Login to your MathWorks Account

Enter your university e-mail address and password.

Select this option if you need to create an account.

Click Next.

- Select the license 872052 and click “Next”.
- Select the Typical installation, specify your installation folder and start the installation procedure.
**Activate**
- At the end of the installation process proceed with activation.
- Select license 872052 and Click “Next”
- Enter your Activation Key: 02654-66316-99854-55502-92953
  And click “Next”
- Click Activate.

If you need installation help please open a Service Request by clicking on “Create new Request” on your MathWorks Account. Fill in a Technical Support -> Installation request to receive direct assistance by MathWorks Installation Support Team.

**If you want to update your expiring license (without reinstalling)**

- In MATLAB select Help -> Licensing -> Update current licenses...

- If requested, please add the Activation Key again (see above)
- MATLAB will connect to the license server and update your license
